

FISCAL NOTE

SB 2711 - HB 3064

February 13, 1998

SUMMARY OF BILL: Requires Department of Environment and Conservation to develop a strategic Master Plan for State Parks. Requires the master plan to include goals and projections for the next 10 years with updates every five years. The House Conservation and Environment Committee and the Senate Environment, Conservation and Tourism Committee must approve the initial master plan. Hearings are to be conducted in each of the nine development districts every five years, or when changes are proposed to an existing master plan. Prohibits the addition of new capital projects to an existing master plan without legislative approval.

ESTIMATED FISCAL IMPACT:

MINIMAL

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first name "James" being the most prominent.

James A. Davenport, Executive Director
